

## DON'T LET IT DIE

FROM THE ALBUM 'I'M STRONG'
MUSIC/LYRICS BY CLAUDIA CAMPAGNOL

Morning sun in a while Moment feels like an hour Laying here in an infinite of time Here's nothing To sore about

All this wine in my head I'll forget all we said Who knows If this is an everlasting now Don't change it Don't let it die

All these years left behind Memories captured inside Can we stay here Until the end of time Here's sunrise Don't let it die
